### **YOUR TUITION INCLUDES:**

- Pattern paper, Tag board, Pattern hooks, Handouts

**NOTE:** You will receive individual supply lists for each of the exercises. Whether or not you wish to buy the supplies on these lists will depend on whether or not you wish to sew the garments to test prototypes made from your patterns. Sewing knits and stretch fabrics is a separate class. The book we will use is "Design and Patternmaking for Stretch Fabrics" by Keith Richardson. But don't buy it. It has too many errors.
