Students will keep a sketchbook/notebook for this class either 8"x11" or 9"x12" in size. Composition notebooks are great and cheap. Moleskins are a nice option but pricier. Not too small. Think magazine clippings and sketches. Swatches of color and fabric will be added; therefore the paper needs to be sturdy. Spiral is better, as it can accommodate more additions. Bring a pencil. Bring your Prismacolor pencils and pens from your fashion illustration class if you wish.
