

APPAREL TECHNICAL DEVELOPER

Follow your dreams and become an apparel developer.

By joining the certificate program, you get:

- Access to financial support, equipment and supplies
- First call on classes
- A place in PFI's annual portfolio show
- Networking with industry professionals
- Career services

Completing these certificates gives you the right skills to enter an apparel business and opens the door to jobs at apparel companies.

Classes are given in the order they should be taken so you can meet the required prerequisites. With concentrated effort, it's possible to complete a certificate within two years' study. The full curriculum begins each Fall but you can start any time.

Want to get a job in the industry or work freelance? Here's the path to take. It focuses on computer skills in Adobe and patternmaking so you can get work as a technical designer, product developer, patternmaker or fit engineer.
