

Is AC* the class for me?

Can you:

1. Wind a bobbin?
2. Thread a sewing machine?
3. Read a basic pattern?
4. Cut out fabric on grain?
5. Sew a straight line with $\frac{5}{8}$ " seam allowance?

If you answered all five with a yes, sign up for ***Apparel Construction**.

If you answer all five with a no, **Beginning Sewing** is the class for you.

Happy Sewing!
