

CAREER PATHS OF APPAREL ENTREPRENEURS

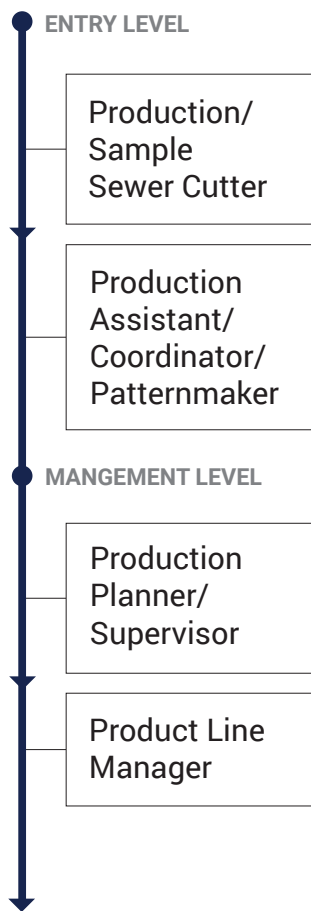

Understand the typical career progression of apparel entrepreneurs with our breakdown of options.

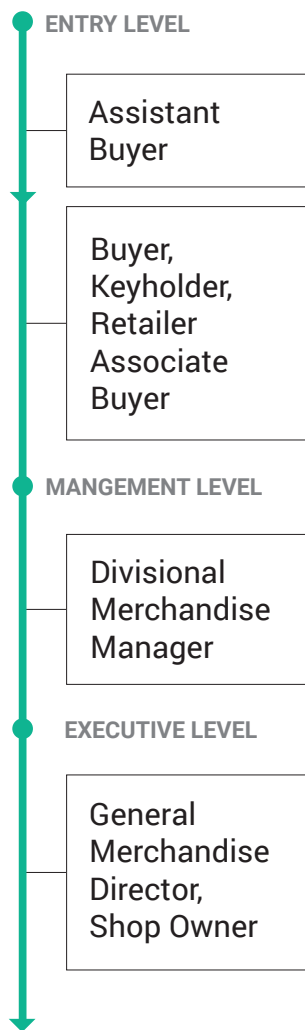

MERCHANDISER

MANUFACTURER

FASHION BUYER

STORE PLANNER

We offer sewing classes for the beginner to the advanced stitcher wanting to learn something new, from sewing basics to patternmaking, draping, tailoring and couture. No matter the class, our job is to make sure you gain skills, create a project you like, build your confidence – and have a good time doing it!
